LED PAR30 10W DATA SHEET

2018-022

80 Degree

FEATURES

- Use 590nm-595nm amber color LED chips, wildlife friendly.
- Pure aluminum heatsink, cold-forging aluminum
- Heat conduction coefficient is 1.5 times higher than the Aluminum Profile
- Instant-on with no warm up time
- Free of harmful mercury, environment friendly
- ETL/cETL/CE approved
- Energy Star listed
- RoHS compliant
- 3 years warranty

INSTALLATION

- Do not use where exposed to weather, IP20
- To use in enclosed fixtures may decrease the lifespan of this lamp

Item No.:	CL-10W-P30-T
Power:	10W
Input Voltage:	AC100-277V (60Hz)
Power Factor:	>0.9
LED Type:	COB LED (Chips On Board)
Color Temperature:	Amber color(590nm-595nm)
CRI:	/
Lumen Flux:	300-350lm
Beam angle:	80 Degree
Dimmable:	No
Lifespan:	25,000H
Working Temperature:	-20~40°C
Socket:	E26
Material:	Pure Aluminum + PC Cover
Size:	Ø90*120mm (D3.54xH4.72 inch)
Package information:	25pcs/ctn,54×54x17cm, 9.0kgs/ctn
